Are you guys playing football? or dogpile?????

Look mom, I'm flying,

Hey Marvin, Is number "58" scaring you off,??

I know I've got muscles, you don't have to feel them!!!!

Hang on! I'm coming to help

We won

I'm glad we won, but I wish I hadn't gotten my teeth knocked loose'

Help me hold him coach, He's going after the referee

He took him and maybe he will drop the ball

Is this wrestling or football?

Get up and exercise, you are not that tired'

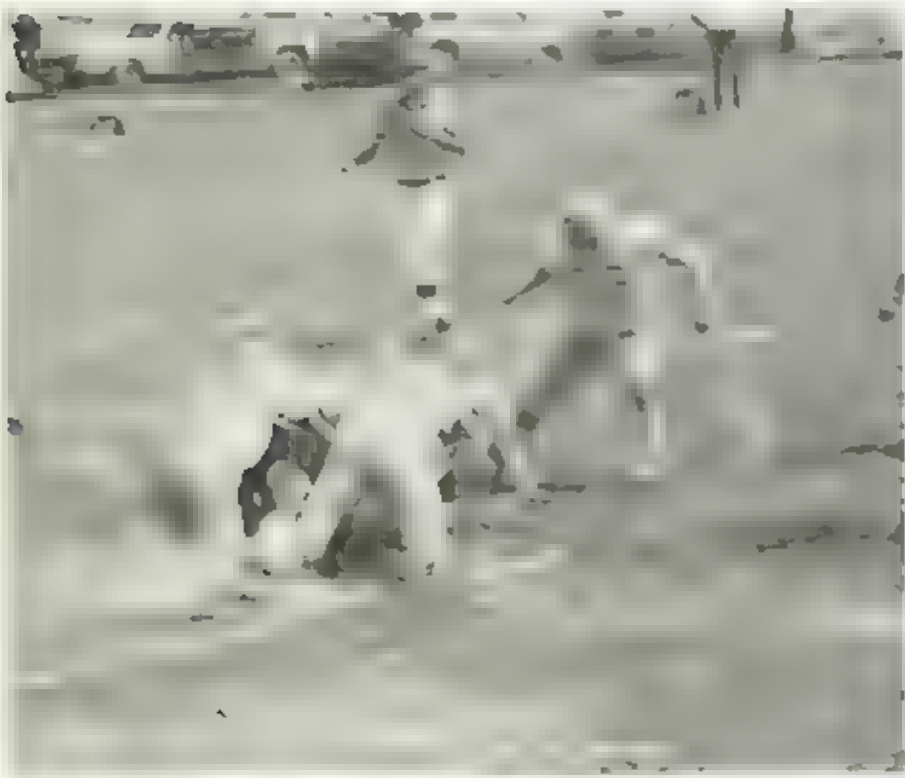

I wish I hadn't gotten hurt so I could have shared in this victory

Hey Errows, let's split with the ball

That's what you call putting your hands in it

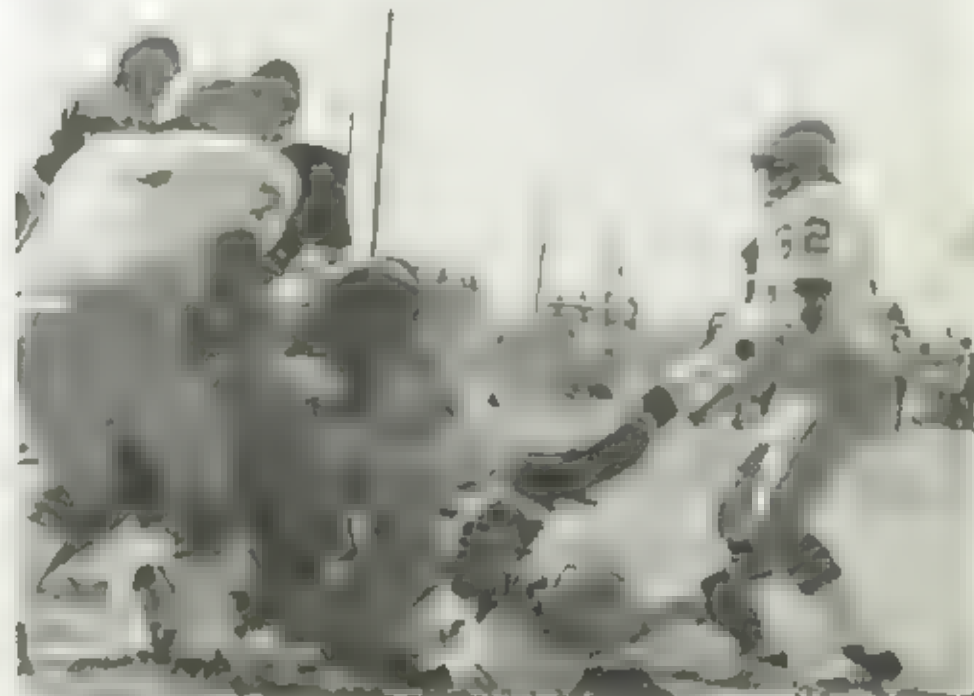

Now wait a minute, can't we just talk this over

Say, two against one isn't fair

Eleven heads are better than one, Right gang!!!

Cool it with the legs

Five more yards!

Get your foot off my neck

This isn't basketball you know?

# 1973-74 State Class AAA Cross Country Champions

People were looking for something to hide in or crawl under in Zuni Saturday night. If they had a cellar they were in it and if they didn't and there was a rock handy, they were under it. Something big must have happened summarized Zuni's residents when all of a sudden they heard sirens, car horns and distant chants in the offing. Had a bomb been dropped or had there been perhaps a catastrophic accident?

When they emerged from the safety of their shelters they soon learned that a bomb a Zuni bomb, had indeed been dropped. But the explosion had taken place in Roswell and it was by no means an accident.

The bomb had been dropped by Zuni High's own Thunderbird Harriers with the results devastating as Zuni blew all of their competition off the course to capture A "1973 New Mexico Class-AAA Cross Country Championship" Zuni was now

feeling the repercussions of that explosion in a rousing Zuni salute to its state champion Thunderbirds.

There was no question about who was this year's best in the rugged Class-AAA. Zuni stormed to the 1973 title in championship from outdistancing runnerup Bernalillo by no less than 74 points.

The Thunderbirds amassed a total of 43 points in winning the state crown. Runnerup Bernalillo registered 77 while Shiprock placed third with 107 and Fort Wingate was fourth with 114 points.

In rounding out the rest of the Class-AAA field Robertson was fifth with 115, West Las Vegas sixth with 127, Espanola seventh with 153, Silver City eighth with 160, Gadsden ninth with 178, Portales tenth with 286 and NMJL eleventh.

"Our kids just did an outstanding job for Zuni High," stated head harrier coach Max Ray. "They got off to a late start at the beginning of the season but as the season progressed they began to materialize into the type runners it takes to be champions."

Crossing the line first for the Thunderbirds was Arlen Quetankai. Quetankai was the fifth harrier to finish his three mile run in Roswell traveling the distance in 15:48. Right behind Quetankai placing sixth in the state meet was Virgil Bobelu.

Finishing out the Thunderbird effort was Victor Noche eleventh, Carlton Quetankai twelfth, Lujan Ondelacy - seventeenth, and Wilber Haskie

nineteenth. The top five finishing times are totaled up for a teams final tally.

"I believe the biggest factor that led to our winning this year's state championship was our attitude," said Ray. "Three weeks ago I first felt that our chances for winning were good because of the change in our outlook. Kids began cutting time off their clockings in tens of seconds and one of our kids took two minutes off. It was then that we started picking up the momentum which carried us to a District and state championship." Zuni placed first in only two meets, both which had the biggest stakes at large.

Things look to be bright for the Thunderbirds in the way of future cross country success. The Birds will lose only Arlen Quetankai through graduation with none of the other placers being more than sophomores. Sophomores on the 1973 championship squad were Virgil Bobelu and Lujan Ondelacy with Victor Noche, Carlton Quetankai and Wilber Haskie being freshman.

"We had a lot of fine prospective runners on our club this season", remarked Ray. "We had several runners, such as Mike Sosseah, Steven Boone and Tim Nuha, just to name a few, that missed out on running in the state tournament by only a few seconds."

Concluded Ray on Zuni's victory, "Our kids ran well in Roswell. Zuni should be proud of them." Added Ray, "I think the results of this year's tournament clearly points out that the Northwestern corner of New Mexico possesses the state's toughest distance runners and teams."

In a class to class basis the Northwest section of the Roadrunner State dominated this season's finals. In Class-AAAA Grants won this year's title followed by runnerup Santa Fe and in Class-AA Laguna-Acoma reigned supreme. Placing fourth in the ranks of the AA runners was Rehoboth with Thoreau sixth.
